^[1] Although BLMIS statements reflect that a larger transfer was made into the account on this date, a portion of the "transferred" funds consisted of fictitious profits which were never achieved and thus could not have been transferred. Accordingly, only the principal remaining in the originating account was transferred into this account on this date.

^[2] Although BLMIS statements reflect that funds were transferred into this account on this date, these funds consisted entirely of fictitious profits which were never achieved and thus no funds were actually transferred into the account on this date. Accordingly, the account balance has remained unchanged.

^[3] Although BLMIS statements reflect that funds were transferred out of this account on this date, these funds consisted entirely of fictitious profits which were never achieved and thus no funds were actually transferred out of the account on this date. Accordingly, the account balance has remained unchanged.
